

REQUIRED DOCUMENTATION AND IDENTIFICATION GUIDELINES

Insurance will cover Covid 19-PCR testing under the following circumstances:

- 1.) All States other than NJ residence: A prescription from your Dr. is required .

Prescription must present at the time of service. No exceptions!

- 2.) For NJ Residence only: No prescription necessary as the Governor issued a standing order for Covid 19 testing. We can bill your insurance.
- 3.) If you do not have a prescription at the time of service, the cost of the test is \$123.00.
We accept – Cash, check, money order, VISA, MasterCard, Discover, & American Express)

Note: Your physician can fax us the prescription to 267-525-2488. If you arrive at ADL and the prescription is not here at the time you present, you will put back in the que.

4.) Documentation requirements for EVERY patient receiving a test:

- a. Picture ID (driver license, passport, Visa)
 - b. If you have a prescription from your physician with you, please have that ready.
 - c. If you met the criteria above to use your insurance, please have your current primary insurance card ready.
 - d. Travelers: If you are traveling internationally and the airline requires your passport number on the lab results please have your passport present and ready.
- 5.) When the app signals that it is your turn, and you enter the building please proceed to the front desk and sign in on the sign in sheet. To avoid further delay, please have all documentation ready.

The turnaround time for results is 24-48 hours.

We understand this challenging time and that many people are nervous about getting COVID. Our devoted laboratory staff has been working rigorous hours throughout the pandemic, since 2019!

We understand you want the best and fastest service. Please know that we are doing our best during this pandemic. We appreciate your patience during these tumultuous times!
