Re: Covid Testing for HRSA (non-insured patients)

Dear Valued Client,

On March 22, 2022, at 11:59 ET, the HRSA Covid-19 Uninsured Program will stop accepting claims for Covid-19 testing due to lack of sufficient funds.

ADL is aware that this will have an impact on all uninsured patients and their ability to receive Covid-19 testing at no cost. The cost of Covid-19 PCR and Covid Antibody testing is listed below. Consideration of discounting testing due to financial hardships will be on a case-by-case basis.

<u>Test Number</u>	<u>Test Name</u>	<u>CPT Code</u>	<u>Fee</u>
593	Covid-19 PCR	U0004	100.00
601	Covid 19 Antibody IGG	86769	52.00
586H	Covid Collection by ADL staff	G2023	23.00

If ADL has an agreement with your organization to bill your facility for services that are not covered by insurance or HRSA when submitting a sample, please check off Client on the requisition form. These charges will be reflected on your monthly invoice.

If your organization does not have a Covid agreement with ADL please contact your sales representative or ADL customer service at **267-525-2470 ext. 0 - ASAP**.

If you are referring your patients to any of ADL's Patient Service Centers, please inform your non-insured patients of the above cost.

Thank you for trusting us with your Covid Testing.
